## SP\_04: Dash Board\_CONTAINER - FINAL CHOOSE

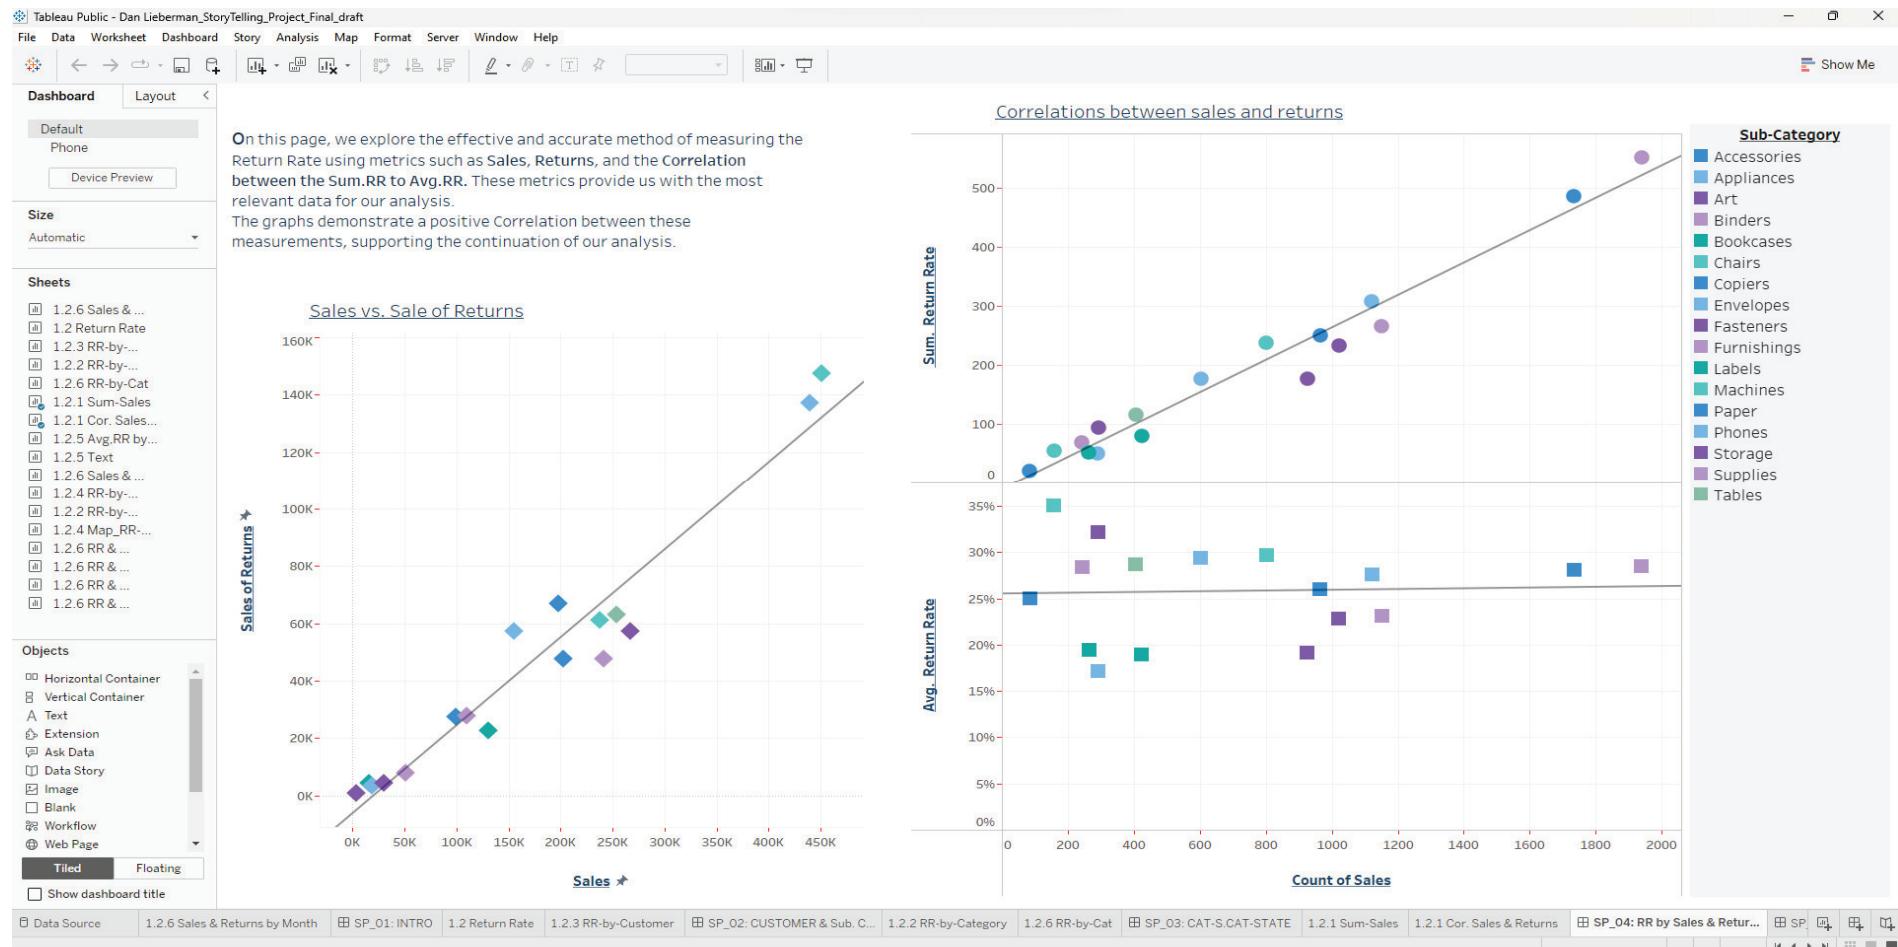

The screenshot shows the Tableau Public interface with a dashboard titled "SP\_04: Containers from Mock Up". The dashboard is divided into three main sections:

- Left Section:** Contains a "Text" object with the heading "SP\_04: Containers from Mock Up" and a "Scatter Plot" object titled "Sales vs. Sale of Returns".
- Middle Section:** Contains a "Text" object with the heading "Correlations between sales and returns" and a "Scatter Plot" object titled "2x Scatter Plots".
- Right Section:** Contains a "Text" object with the heading "Empty Container" and a "Legend" object.

The sidebar on the left lists various sheets and objects used in the dashboard, such as "1.2.6 Sales & ...", "1.2 Return Rate", and "1.2.5 Text". The bottom navigation bar shows the data sources used in the dashboard.

## SP\_07: Dash Board\_CONTAINER - FINAL CHOOSE

The screenshot shows the Tableau Public interface with a dashboard titled "SP\_07: Containers from Mock Up". The dashboard is divided into three main sections:

- Text Section:** Contains the title "SP\_07: Containers from Mock Up" and a link "Return Rate by Region/State".
- Map Section:** Contains a link "MAP".
- Bar Chart Section:** Contains the title "BAR CHART" and a link "Return Rate by Category in: <State\_Name>".

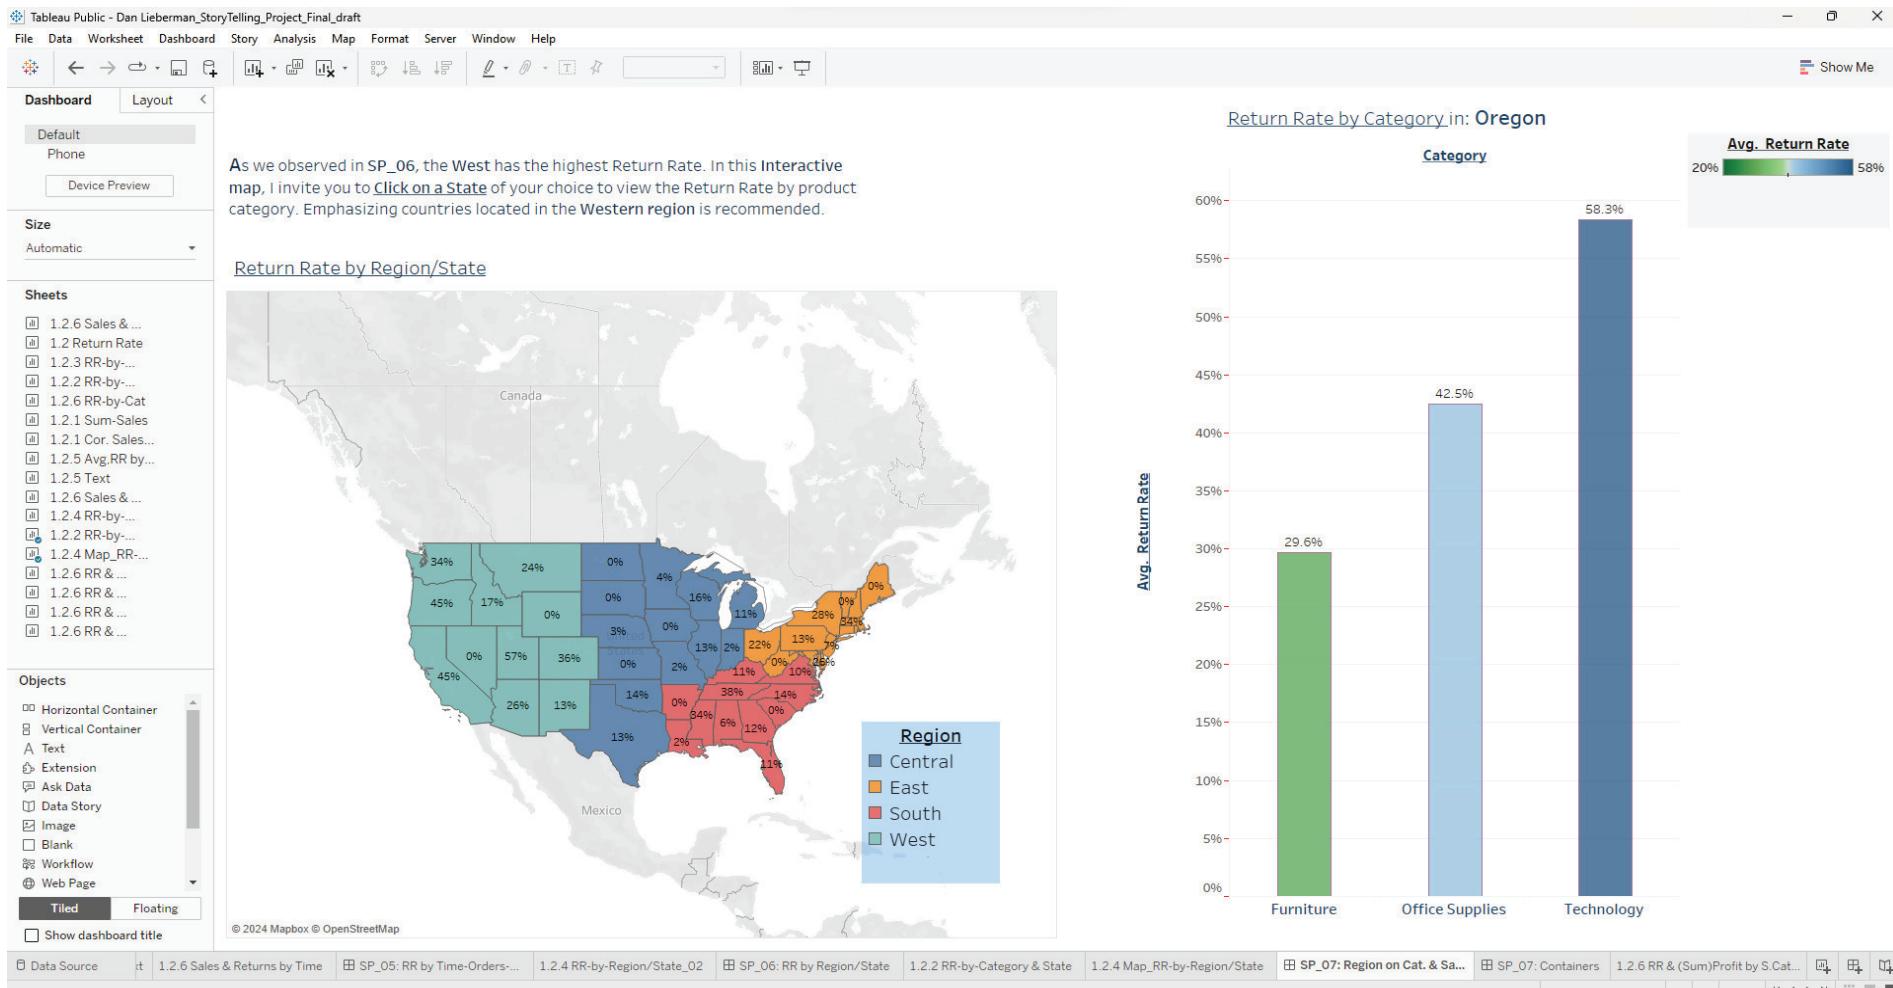

The sidebar on the left displays the following sections:

- Sheets:** A list of 24 sheets, mostly starting with "1.2.6" followed by various metrics like Sales, Returns, RR, and Sales & Returns.
- Objects:** A list of objects including Horizontal Container, Vertical Container, Text, Extension, Ask Data, Data Story, Image, Blank, Workflow, and Web Page.

The bottom navigation bar includes links for Data Source, various sheet titles, and a search bar for "Dan Lieberm...".
